

WELCOME TO SOUTH DEARBORN MIDDLE SCHOOL

With just over 400 students in grades 7 & 8, we offer a more personalized approach to each student's education.

Our nurturing teachers are completely dedicated to your child's educational success. In addition to our strong academics, students enjoy access to music & arts programs, clubs and athletic teams that enhance their overall educational experience.

"The staff treats the kids with respect and pushes them to get the most out of their classes"- Sandy A.
